Imagine waking up tomorrow morning feeling completely refreshed with a surge of energy, ready to take on the new day - JUST LIKE EVERYONE ELSE...

Well, I help fibromyalgia patients EVERY DAY. You see, a large part of my practice is devoted just to fibromyalgia. Devoted to cases other doctors have had no success with. Devoted to cases other doctors have given up on. Devoted to cases other doctors have simply turned their backs on and thrown out in the trash. Devoted to cases just like yours.

Here's what this is all about: Until very recently I was your average doctor and knew very little about fibromyalgia. I had seen quite a few patients with fibromyalgia over the years and honestly, had a "love/hate" relationship with these cases. I could help some fibromyalgia sufferers quite a bit, while many got minimal if any results at all. Most doctors I know have just given up on fibromyalgia completely, throwing their hands in the air telling their patients it's all in their heads. Well, I kept getting more and more fibromyalgia sufferers asking me if there was ANYTHING I could do to help them. I soon found out that there are..

30 Million Fibromyalgia Sufferers In The United States!

WOW! I began searching everywhere for a solution. Any clue. There had to be something out there that was being overlooked that could help fibromyalgia. Help 30 million people just like you

Are you overwhelmed and frustrated with your fibromyalgia and all the so called "answers" you get from your doctors? Well, I was too.

The bottom line was... I could not find anyone who was REALLY helping fibromyalgia sufferers. Sure they did a lot of elaborate, expensive tests (Very expensive!). . They used a lot of fancy words. But when all was said and done, what could they do for you? NOTHING!

That's how I found out about an amazing system created by a *former* fibromyalgia/chronic fatigue sufferer practicing in Encinitas, California. The secret to this programs success is that it has a multiple-phase approach to fibromyalgia.

We attack fibromyalgia from every possible angle, giving you the best possible chance to feel like you did BEFORE fibromyalgia stole your life.

That's why I've put together the "ultimate" program for fibromyalgia sufferers. It's the exact program that so many *former* fibromyalgia sufferers tell me they wish they knew about 10 years ago... So much unnecessary suffering... so much wasted time.

Here's how this system work:

1. **The Nervous System:** Much of the latest research points to brain stem injury and malfunction as a major cause if not THE cause of fibromyalgia. Our "Complete Fibromyalgia Qualification Evaluation" includes nerve system evaluation and surface EMG. Surface EMG is a scientifically based, computerized test that helps determine abnormalities in your nerve system function. This test is simple and only takes 3 minutes. A complete color print out is given with a full written report. This test helps determine if you can be helped through our program and helps monitor your progress. This is NOT the needle EMG and is painless! I have enclosed a sample of this powerful technology with this report. I'm going to show you how you can get one FREE with a specialized Fibromyalgia Qualification Evaluation in a minut

Fibromyalgia is a crippling disease ruining the lives of 30 million people. 9 out of 10 are women. What we're here to do is to share this information that I think will change your life forever. Give you the power to move the world. Before it's too late.

This system can bring you from the peak of misery to a life of breathtaking enjoyment...it's done that for so many already.

There's a lot of nonsense out there. A lot of "experts" praying on your misery. Filling you with false hope. Or even worse, telling you there is NO HOPE. That's why I've written this report. This is REAL help from someone who understands.

I don't care if you've been to 100's of other doctors. Or if you've been to other chiropractors. Or if you've tried everything under the sun and been disappointed countless times. None of that matters.

The ONLY thing that matters... is your desire to get better. To start feeling better right away. This is a simple program, but you can NOT find it anywhere else and you can NOT figure it out all by yourself.

I know what you're going through. When I started asking other doctors about fibromyalgia they told me, "Aaaah, they're all just hypochondriacs... there's nothing wrong with them... what they need is a good shrink!" Well, I know better

So please... if you at all interested in seeing if you qualify for this program, and seeing if this is finally the solution to your fibromyalgia you've been dreaming about... do it now.

Here's The Qualification Process...

- ◆ A consultation with me, Dr.Nebel, to discuss your problem and answer ALL your questions. ALL your questions and concerns will be answered before you leave.
- ◆ A complete fibromyalgia qualification case history and questionnaire to help determine if we can help you.
- ◆ A specialized Fibromyalgia Qualification Evaluation.
- ◆ A surface EMG to help pin-point any central nervous system problems that may be contributing to your problem. It will help determine if you can be helped from my program. This is NOT the "needle EMG" and is painless!!! I have given you a sample printout of this powerful technology with this report.

All Completely FREE!!!
